APRIL 2019

B

IT'S SHOWTIME!

This year's annual stage production is entitled "GOOD OLD SUMMERTIME". This is our once-a-year full costume stage show featuring our students! There is no extra charge for this performance and **EVERYONE IS INVITED!** It is an exciting event for the students as a culmination of everything they learned throughout the year. Each 30 minute performance will include warm-up, ballet, as well as four song and dance numbers. Cameras are welcome! Performance dates and times are included with this newsletter, along with the addresses of where our performances will be taking place.

PLEASE NOTE: There will be no class the week after your child's performance, in order for the children and the instructors to rest and reflect.

SHOW ATTIRE

Girls will need to arrive in plain white or light blue leotards (short sleeve preferred, but long-sleeve or tank-style is acceptable). White or light-blue tights. Any color ballet shoes or white shoes of any style (ballet, dress or tennis shoes).

Boys will need to arrive in a plain T-shirt (no design on it) sandals with white socks.

Please arrive at least 15 minutes prior to the performance, as the costumes we will supply are quite elaborate.

For your information: We would like to advise you that at previous shows, we've noticed that parents often present flowers to their dancer in reward of a fine performance.
